

## **Different parts of my life:**

## **Pictures/visions from God's word:**

My marriage and family

A picture of days of heaven on earth that speaks of quality time with my family (see Deut. 11:21)

My wife being a fruitful vine, ever-youthful and blessed, and my children like olive plants, anointed in every area of their lives (see Ps. 128:3)

My health and well-being

Flourishing like a tree planted by the rivers of water, unaffected by the heat and pressures of life, being supplied and cared for no matter the seasons (see Ps. 1: 1–3)

A picture of myself like a soaring eagle that has their youth renewed through the seasons, never tired or sick (see Isa. 40:31)

Seeing God's shield around me and my family, protecting and providing for me even in these dark times (see Gen. 15:1)

My career

Seeing myself fulfilled with the fruit of the labor of my hands (see Ps. 128:2)

My finances

A picture of the birds of the air, being fed by their heavenly Father, always cared and provided for no matter where they are (see Matt. 6:25–27)

My future

A picture of the path of my future shining like the sun, getting brighter and brighter (see Prov. 4:18)
